### **NFL**

Epic Super Bowl 54 was 2 weeks ago. The amazing game was a match up between the Kansas City Chiefs and our hometown San Francisco 49ers. The game took place in Miami, Florida, at Hard Rock Stadium. The Chiefs were down by 10 going into the 4th quarter and Quarterback Patrick Mahomes threw an interception. Everyone thought that would've been the game for San Francisco, but the Chiefs defense forced the 49ers to a 3 and out, forcing them to punt the ball. The Chiefs marched down the field and scored a touchdown to keep them in the game. The score was 24 to 20 and suddenly, the 49ers trailing by 4 points. I guess the pressure got to quarterback Jimmy Garoppolo because he threw an interception. All the Chiefs needed to do was run the ball and that's what they did. Damien Williams had a 38-yard run to secure the Vince Lombardi trophy and the win. The MVP of the Super Bowl was none other than 24 year-old Patrick Mahomes. This was the first time in 50 years that the Chiefs won the Super Bowl.

### **NBA**

Tragedy struck the basketball world on Sunday, January 26th, when NBA great, Kobe Bryant, along with 8 others, including his daughter, passed away in an accident. The NBA All-Star will be remembered for his incredible talent, devotion to the Los Angeles Lakers organization, and love for the game of basketball. This summer, Bryant will be honored posthumously with induction into the NBA Hall of Fame. During the first home game for the Lakers after Kobe's death, LeBron James and others wore only jerseys that had Kobe's number: 24 and 8.

## Family Fun

Many of you have been to an escape room, right? Well for those who haven't experienced one yet, it is time to change that! There are several escape rooms popping up around the Bay Area. An escape room is an activity that involves teams and teamwork. You and your team will be put in a room and tasked with finding clues to help you get out or escape. You only get one hour to complete this challenge! Good luck!

We hope your month is filled with love, friendship, and fun!
